

East Fallowfield School Store

Dear Parents,

By now, your children may have asked for money to make purchases at the school store. YES! East Fallowfield does have a school store. We sell school supplies, novelties and candy. The School store is open most Wednesday Mornings from 9:00am – 9:20am. There are adults and older students working the school store each week to help your child make selections and help with change. It’s great to see students show their independence, asking for prices, calculating if they have enough money. The Price list is below for your reference, most items are \$1.50 or less. Feel free to stop in and check it out for yourself. Thanks for letting your children shop! Contact Kelly Marvel if you have any questions or are interested in helping!
