We thank you for your interest and involvement in the life of our school and its students.

During American Education Week, all visitors must enter by the main entrance. Everyone has to sign in during arrival. Teachers will be conducting classes as close to normal as possible. As a result, there are several considerations for your visit:

- Upon your arrival, please turn off cell phones and other electronic devices.
- Please do not bring pre-school age children.
- Please make every attempt to not interrupt instruction. Please be considerate of the teachers and the students engaged in the learning process.
